

Repair & Cal Ltd

Repair & Cal Ltd is Pleased to offer the sale of Test & Measurement Equipment from any of the manufacture Listed below;

RIGOL
Innovation or nothing

Digital Oscilloscopes
DC Power Supplies
Function/Arbitrary Waveform Generators
Spectrum Analysers - with built in tracking generator
Digital bench top multimeters
Oscilloscopes - with built in waveform generator
Mixed Signal Oscilloscopes
Mixed Signal Oscilloscopes - with built in waveform generator
RF Signal Generators
Data Acquisition System

DC Power Supplies
AC Power Supplies
Electronic Loads
Saftey Testers (TOS)
Hipot Testers
Earth Bond Testers

Micsig

AC Current Probes
High-Voltage Differential Probes
Handheld Oscilloscopes - battery powered
Tablet Oscilloscopes - battery powered

Hi Pot Tester
Protective Earth/Ground Tester
Function/Arbitrary Waveform Generators
Variation MT, machinery Tester

DC Power Supplies 6W to 6kW

Compact Data Logger
High-Voltage CAT3 True-rms Data Logger
Modular Data Acquisition Platform
Very High-Speed data Logger

High Accuracy Current Transducers

HV Power Supplies

celesco

Diesel Engine Smoke Meters
Opacity Meters
Smoke Density Meters

PULS

Din Rail Power Supplies

QCM RESEARCH

High Quality Quartz Crystal Microbalances

BRYMEN

Clamp on multimeter
Hand Held Multimeters
Insulation Meters
